The screenshot shows a web browser window with the title "Søg i tilføjelser :: Firefox Add-ons - Mozilla Firefox". The address bar contains the URL "https://addons.mozilla.org/da/firefox/search?q=fireftp&cat=all". The page content includes the Mozilla logo, the heading "Firefox Add-ons", and a search bar with "fireftp" entered. Below the search bar, there are two add-on listings. The first listing is for "FireFTP" by Mime Cuvalo, featuring a blue fox logo, a 5-star rating, and a green button labeled "Tilføj til Firefox". A yellow arrow points to this button, and a tooltip above it says "Tilføj FireFTP til Firefox". The second listing is for "FireFTP button" by Paul-Robert Archibald, also with a green "Tilføj til Firefox" button.

The screenshot shows the FireFTP interface within a Mozilla Firefox browser window. The browser's address bar displays 'chrome://fireftp/content/fireftp.xul'. The FireFTP window has a menu bar with 'Filer', 'Rediger', 'Vis', 'Historik', 'Bogmærker', 'Funktioner', and 'Hjælp'. Below the menu bar is a toolbar with navigation icons and a search bar. The main area of the browser shows a file explorer view of the local C:\ drive. Overlaid on this is the 'Account Manager' dialog box, which has three tabs: 'Main', 'Connection', and 'Advanced'. The 'Main' tab is active and contains the following fields:

- Account Name: ftp.havkrog.dk
- Host: ftp.havkrog.dk
- ID
- Login: skilte@havkrog.dk
- Password: *****
- Anonymous

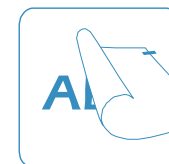

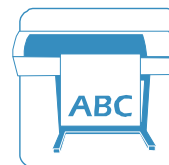

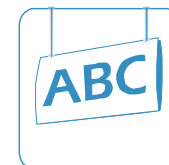

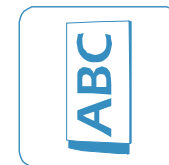

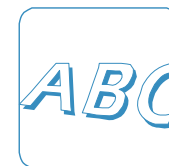

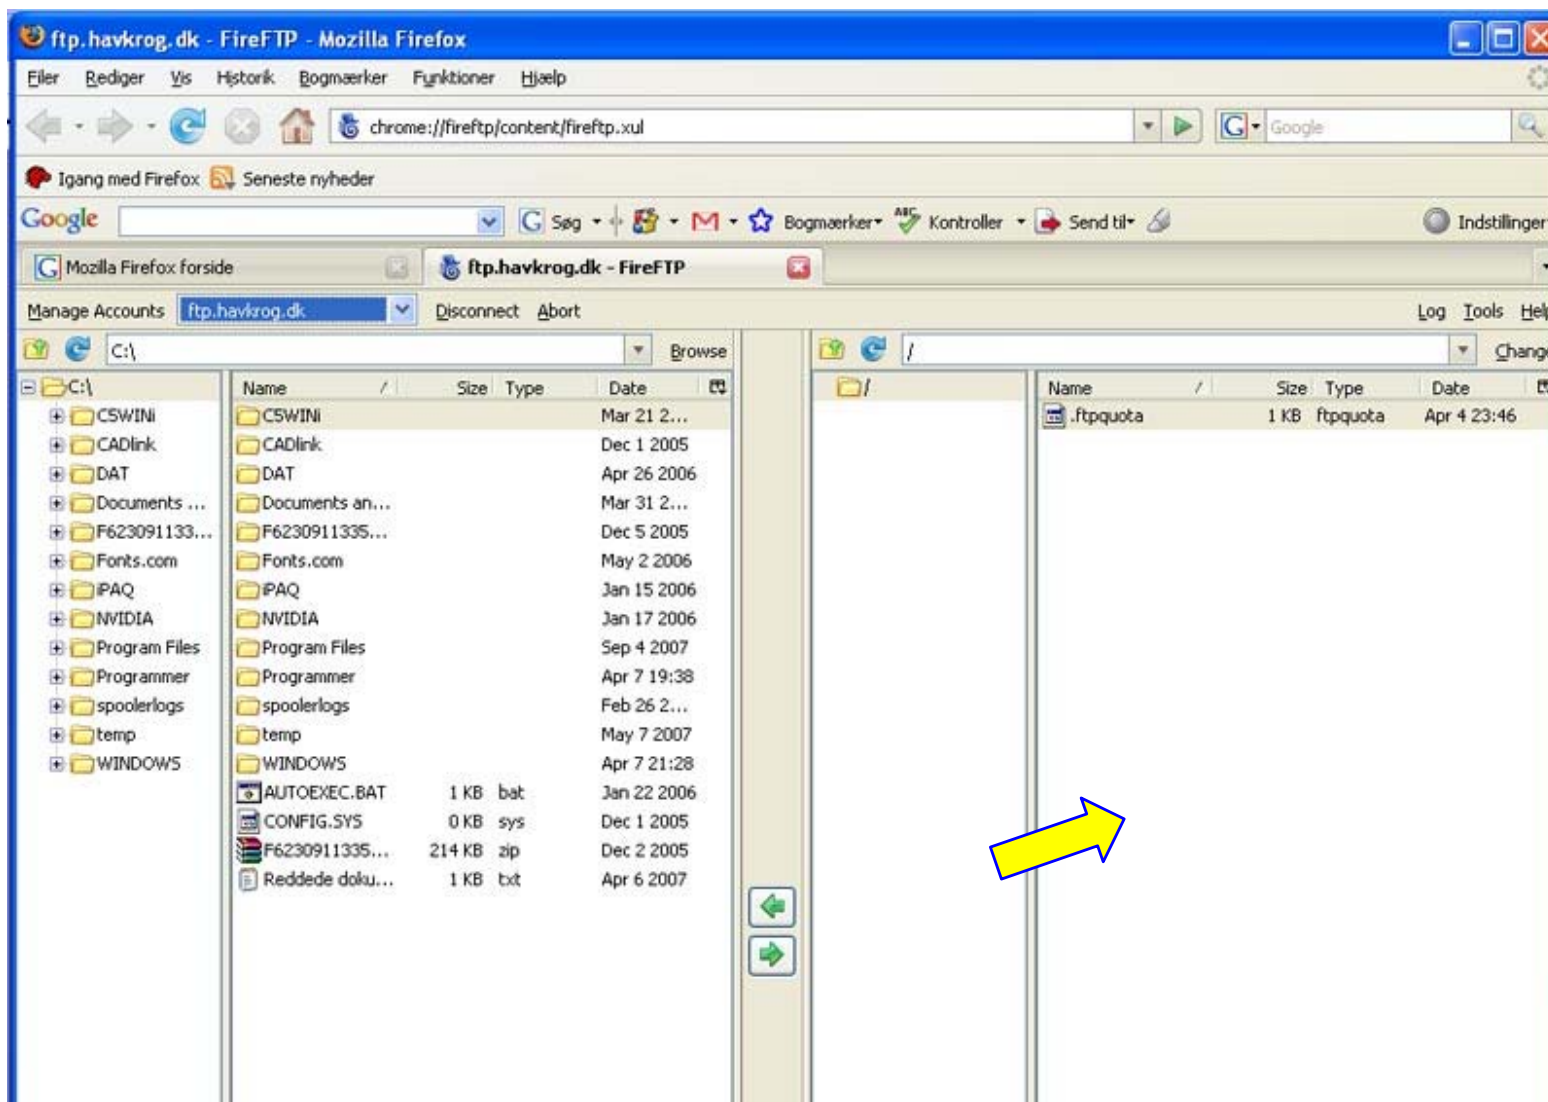

Three yellow arrows point to the Host, Login, and Password fields. At the bottom of the dialog box, there is a red text box with the text 'OBS: Password bliver tilsendt pr mail'. The dialog box also has 'OK' and 'Annuller' buttons at the bottom.
